

GENERAL NOTICE NO 19/20

**ARRANGEMENTS FOR THE COMPLETION OF THE  
SECOND SEMESTER 2019/2020 ACADEMIC YEAR**

Following directives by the President of the Republic in his 10<sup>th</sup> Address to the Nation on the COVID – 19 pandemic on 31<sup>st</sup> May, 2020 on the re-opening of educational institutions for Final Years, including Universities, the Academic Board at an Emergency Meeting on Thursday, 4<sup>th</sup> June, 2020, taking into consideration, concerns raised by the Student Representative Council (SRC) on the possible spread of the corona virus among students, decided as follows: That;

- (i) The existing arrangements for on-line teaching and assessment for continuing and Final Year students, as agreed at an Emergency Academic Board Meeting held on 4<sup>th</sup> May, 2020, (for the rest of the second semester of the 2019/2020 academic year), should hold. This is in consideration of the fact that more than 80% of assignments and project work which would be used as assessment for the End of Second Semester Examinations, have already been completed and submitted for marking.
- (ii) All on-line assignments and assessments should be completed by 30<sup>th</sup> June, 2020.
- (iii) Examiners should process results of ALL students for consideration by the Departmental/Faculty/College Boards latest by 15<sup>th</sup> July, 2020.

A schedule for the consideration of results by the various Boards i.e. Departmental/Faculty/College, will be issued in due course.

- (iv) Students who have difficulty in accessing the on-line facilities will have the option to re-locate to campus from the 15<sup>th</sup> to 30<sup>th</sup> of June, 2020. Those who may wish to take advantage of this opportunity should contact their Heads of Department through their Class Representatives.
- (v) Sixth Year Clinical students of the Schools of Medicine and Dentistry (SMD), and Veterinary Medicine should report on 15<sup>th</sup> June, 2020. SMD clinical students will be accommodated at the Clinical Students Hostel at Komfo Anokye Teaching Hospital while 6<sup>th</sup> year final students of the School of Veterinary Medicine will be accommodated at the SRC Hostel on campus.

They will be required to take an abridged examination, consisting of Theory and Clinical Assessments which will be organised in small groups, in compliance with the protocol on social distancing. The assessment will be for a maximum period of three weeks after which the Fifth Years will report for their session.
